PROFILE

Digital content professional with 6+ years of experience in communication, web content management and project coordination, now transitioning into web development (Full Stack Developer program at Conquer Blocks; HTML, CSS and JavaScript completed). I combine editorial and brand judgment with HTML5/CSS3, WordPress and Webflow layout. I review every deliverable before it goes live: visual consistency, mobile adaptation, links and on-page SEO best practices. Used to working with design and content teams and with clients. Based in Spain and available for 100% remote work.

WORK EXPERIENCE

2023 – 2025 **Institutional Client Relations Coordinator**
Edify Peru

- Managed relationships with school principals and coordinated with schools and local teams.
